

FRIENDS OF THE FAR NORTH LINE

AGM & CONFERENCE

Friday 19 June

11:30 - 15:00

The Lovat Arms Hotel, Beaulay

This is your opportunity to hear about rail developments locally and countrywide. Our Conference, starting at 11:30, is free, and members of the public are very welcome to come and listen to our three rail professional speakers and ask them questions. You'll also be able to put forward your own views about the Far North Line.

As always, we have an interesting mix of speakers:

- **Graeme Cook**, Director of Rail Delivery, Transport Scotland, who has succeeded the well kent Bill Reeve in the top TS rail job.
- **Tom Smith**, ScotRail's Head of Fleet Technical. We look forward to hearing about the challenges of keeping Scotland's rolling stock running smoothly.
- **Jim Summers**, former Regional Operations Manager, British Rail Scottish Region. Besides a lifetime working in railways, Jim is the founder of the Chartered Institution of Railway Operators, a UK-wide organisation which develops and promotes the profession of rail operators.
